## RING T

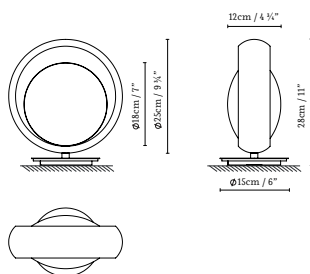

By ILMIODESIGN

### Description:

The Ring collection is based on a 25 cm ring that contains a LED light with a 15 cm glass diffuser, creating a space that gives the lamps a visually light look. The high diffusion capacity of the glass guarantees excellent light quality and greater visual comfort. Ring is available in different finishes, including white, black, and brass.

### RING T

● Black (matte)    ● Brass (matte)    ○ White (matte)

CODE	LAMP	LIGHT SOURCE	DIM	BULB	kg
